

Surgical Innovations (SI), has announced the appointment of Rick Barnett as President of US Sales and Operations yesterday. The appointment has received press coverage by online magazines and newspapers since it has been announced. SI is excited to be featured in the Yorkshire Post's article Surgical appoints a US president... for sales, as well as coverage in the well-known business publications The Business Desk and Insider Media Limited. Various business magazines and publications, like Positions&Promotions have also tweeted about the appointment of Rick Barnett and the increased focus on US growth.
