

Surgical Innovations (SI) has partnered 'Welcome to Yorkshire' as a flagship company to help promote Yorkshire as a key business and visitor destination.

This logical collaboration is strengthened by SI's involvement in the Leeds Health Hub and upcoming development of a new medical park in Leeds, putting Yorkshire on the map for healthcare innovation.

As part of SI's membership, we are able to offer all employees unlimited free entry into some of Yorkshire's best attractions including theme parks, castles and gardens. The initiative is proving very popular already!

Welcome to Yorkshire is the official destination management organisation for Yorkshire, working to grow the county's visitor economy. It is a not-for-profit membership organisation and all money raised is reinvested directly back into promoting Yorkshire.
